

## Balance Bonus (Tier) - Bask Mileage Account

**Offer Period: December 1, 2019 - June 30, 2020**

Bask Bank offered promotional bonus American Airlines AAdvantage® miles for customers that funded their Bask Savings Account within 60 days of account opening and maintained a minimum account balance of \$25,000, \$50,000, or \$100,000 (all tiers collectively described as “Balance Tier(s)”) for 360 days (the 60 days to fund plus 360 days is described as the “Offer Period”). Accounts must have been opened no later than June 30, 2020, funded no later than 60 days following the account opening, and Balance Tier(s) maintained for 360 consecutive days from date of funding a qualifying balance to be eligible for this Bonus Offer.

Customers may have qualified for different Balance Tiers during the Offer Period if their deposit level changed and were awarded the Bonus Mile Award for each qualifying Balance Tier as stated below. Miles awarded for each Balance Tier were distributed every 180 days during the Offer Period. Days must have been consecutive.

BALANCE TIER	MINIMUM ACCOUNT BALANCE	BONUS MILES AWARDED EACH 180 DAYS	MAXIMUM BONUS MILE AWARD PER BALANCE TIER
1	\$25,000	5,000 Miles	Up to 10,000 Miles
2	\$50,000	Tier 1 Award (5,000) + 5,000 Miles for a total of 10,000 Miles	Up to 20,000 Miles
3	\$100,000	Tier 2 Award (10,000) + 10,000 Miles for a total of 20,000 Miles	Up to 40,000 Miles (Maximum Offer Award)

The maximum available award amount at the end of the Offer Period was 40,000 AAdvantage® miles. If a customer’s Minimum Account Balance increased to qualify for a higher Balance Tier during the Offer Period, the customer was awarded the Balance Tier Bonus Miles that had been maintained for 180 days. If a customer’s Balance Tier declined after Bonus Miles are awarded, the customer only received the maximum award amount for the lowest qualified Balance Tier during the Offer Period. For example, if an account is funded at \$100,000 for 180 days, the customer would have been awarded 20,000 Bonus miles. If the customer subsequently decreased the account balance to \$25,000 and maintained the balance for the required time period, no additional miles would have been awarded. The customer would have already met the maximum award amount for Balance Tier 1.

The customer must also (i) meet Bask Bank’s qualifications to open an account; (ii) complete the online account opening process and establish an account between December 1, 2019 and June 30, 2020; and (iii) provide Bask Bank with an AAdvantage® account number in the same name as the subject Bask Savings Account within the first sixty (60) days of the initial account opening. Bonus Miles will be awarded to the customer’s Bask Savings Account within 10 Business Days. AAdvantage® miles may take 6-8 weeks to post to the linked AAdvantage® account.

This offer replaces the Balance Bonus (\$50,000) Offer and is exclusive of all other offers and may not be combined with, or in addition to, any other Bask Bank offers of Bonus Miles, with the exception of the Account Opening Bonus and/or the Feedback Bonus.
