Offer Period: June 1, 2023 - August 31, 2023

Bask Bank is offering 4,000, 10,000 or 20,000 American Airlines AAdvantage® bonus miles to new and existing Bask Mileage Savings Account customers who make new deposit(s) totaling at least \$10,000, \$25,000 or \$50,000 during the June 1, 2023, and August 31, 2023 (“Promotion Period”), and maintain the new deposit for 180 consecutive calendar days (“Holding Period”). The miles awarded will correspond to the deposit ranges (“Award Tiers”) outlined below. Funds transferred from an existing account with Bask Bank or Texas Capital Bank will not qualify as new deposits. See additional terms for both existing and new customers.

AWARD TIER	QUALIFIED DEPOSIT RANGES	BONUS MILES AWARDED AFTER 180 CONSECUTIVE CALENDAR DAYS

2	\$25,000-\$49,999.99	10,000 Miles
3	≥ \$50,000	20,000 Miles

New Customers must (i) meet Bask Bank’s qualifications to open an account; (ii) complete the online account opening process between June 1, 2023, and August 31, 2023; (iii) fund the account within fifteen (15) business days following the initial account opening; (iv) make Award Tier qualifying deposit(s) during the June 1, 2023 - August 31, 2023 Promotion Period; (v) maintain the Award Tier qualifying deposit balance for one hundred eighty (180) consecutive calendar days following the date on which the qualified deposit range is reached; and (vi) provide Bask Bank with an AAdvantage® account number in the same name as the subject Bask Savings Account.

Existing Customers must (i) have an active Bask Mileage Savings Account in good standing; (ii) make Award Tier qualifying deposit(s) during the June 1, 2023 - August 31, 2023 Promotion Period; (iii) maintain an aggregate account balance equal to or greater than the combined qualifying deposit and the account’s ending balance on May 31, 2023 for one hundred eighty (180) consecutive calendar days after the date on which the qualified deposit range is reached; (iv) provide Bask Bank with an AAdvantage® account number in the same name as the subject Bask Savings Account.

For both new and existing customers:

The maximum possible award for this offer is 20,000 miles. The 180-day Holding Period will begin once an Award Tier I, II, or III new deposit threshold is achieved during the Promotion Period. Customers may graduate to higher Award Tiers if additional new deposits are made during the Promotion Period. If a customer’s balance increases to a higher Award Tier during the Promotion Period, the customer will be awarded the Award Tier miles maintained for 180 days.

For example, if a customer deposits an Award Tier II deposit of \$25K on June 1, and subsequently makes an additional \$25,000 deposit on July 1, the customer would receive the 10,000 mile Tier II award 180 consecutive calendar days after the first deposit, and the remaining 10,000 miles of the Tier III award 180 consecutive calendar days after the second deposit. Conversely, a customer may downgrade to a lower Award Tier if withdrawals are made, as long as an Award Tier qualifying balance is maintained for the entire 180-day Holding Period. For example, if a customer deposits an Award Tier II deposit of \$25,000 on June 1, and subsequently withdraws \$15,000 on July 1, the customer would still qualify for a Tier I Award so long as the Award Tier qualifying balance is maintained for

the remainder of the 180-day Holding Period. Any deposits made after the Promotion Period will not have any impact on Award Tier qualification.

New Customer Example: If a new customer opens an account and deposits between \$25,000 - \$49,999 during the Promotion Period, the 180-day Holding Period for the Tier II Award would begin. If the customer subsequently makes a withdrawal that causes the current account balance to fall below \$25,000 prior to the conclusion of the 180 day holding period, they would become ineligible for the Tier II award, but may still be eligible for the Tier I award if a Tier I qualifying balance is maintained throughout the 180-day Holding Period.

Existing Customer Example: If a customer had a \$10,000 ending account balance on May 31 and made a deposit of \$25,000 on June 1, the 180-day Holding Period for the Tier II Award would begin. The customer's aggregate balance would be \$35,000, the sum of the \$10,000 current account balance on May 31 and the deposit of \$25,000 qualifying for the Award Tier II. If the customer subsequently withdrew any funds prior to the conclusion of 180-day Holding Period resulting in the balance decreasing below \$35,000 (original balance of \$10,000 + \$25,000 deposit), they would become ineligible for the Tier II award, but may still be eligible for the Tier I award if a Tier I qualifying balance is maintained throughout the 180-day Holding Period.
